and point the moral that a cutter rig is not suited to such large boats, Cutters of the size of the two Shamrocks and the Constitution are dangerous monstrosities." The Daily Chronicle says: "The Constitution has exhibited sportsmanlike spirit and scorned to take an unfair advantage | CUNNING AND PERSEVERANCE TO of the Shamrock II. At any rate the double accident will dispel the belief in the special ill luck of the challenger.'

CHICAGO TO HAMBURG.

Thirty-Five Days Taken by the North-

man to Make the Passage NEW YORK, June 4.- The cable announced the arrival of the America steamer Northman at Hamburg, to-day from Chicago, after a passage of thirty five days, of which nineteen days had bee occupied in traversing the great lakes an canals before leaving Quebec for the ocean voyage. The Northman is the first steame in the new Chicago-Hamburg service cross the ocean, and her voyage has bee watched with interest as to the probabl success of the undertaking. She was pr ceded by the Northwestern, a sister ship, but that vessel was detained by a mishap, and lost the honor of being the ship to make the first voyage in the new service. The Northman, which is a steamer of 1,496 tons net, saued from Chicago April 30, in command of Captain Ross, with a general cargo. She sailed from Quebec May 19. On May 22 she sailed from Sydney, C. B., after coaling. The scheme of goir through the canals was to give the ve sel the maximum cargo to Buffalo, the partially unload, and then, after passis through the canals, reload at Montres The round trip is expected to take six
